# ELEVATING SOCIAL ENTREPRENEURSHIP IN TARRANT COUNTY

Wednesday, January 22 | Design Thinking Rotation #2

**In your opinion, what makes someone a successful social entrepreneur - especially in Tarrant County? What qualities or skills are essential to their success? What qualities might be unique to Tarrant County social entrepreneurs?**

- 1 Community connections
- 2 Mindset & learning
- 3 Skills for business success
- 4 Problem-solving & action

## KEY INSIGHT:

Social entrepreneurs in Tarrant County succeed by being connected to their community, open to learning, able to solve problems, and skilled in business, helping them bring people together and make a positive impact.

# ELEVATING SOCIAL ENTREPRENEURSHIP IN TARRANT COUNTY

Wednesday, January 22 | Design Thinking Rotation #3

If we were to create an ecosystem in Tarrant County that better supported social entrepreneurs/intrapreneurs, social enterprises, changemakers, and do-gooders to elevate their work, better network and collaborate, and become more mainstream in the community - what is needed to best support them?

- 1 Access to funding & capital
- 2 Networking & collaboration
- 3 Mentorship & coaching
- 4 Resource & knowledge sharing
- 5 Inclusive & accessible support

## KEY INSIGHT:

To help social entrepreneurs in Tarrant County thrive, a comprehensive ecosystem that provides accessible funding, mentorship, collaboration opportunities, centralized resources, and inclusive support is essential for fostering growth and sustaining impact.
